FORESTS IN THE THANA AND KOLABA DISTRICTS
RULES REGULATING THE CUTTING OF TREES IN THE PROTECTED

Noin No 1929, R. D., Leil Feb 1909, B. G., 1909, Pt. p. 327, generaled by Noin No 2405, R. D., Sih Mar 1909

In exercise of the powers conferred by Section 31, clause (a), of the Indian Forest Act, 1878 (VII of 1878), and with the previous sanction of the Governor in Council, the Governor in Council is pleased, in supersession of Government Motherstion in the Revenue Department Mo 7156, dated the 28th September 1897, to make the following rules to regulate the cutting of trees in the Protected Forests in the districts

of Thana and Kolaba, namely —

Rules

I In these rules—

(a) the word "tree" includes all ground shoots which grow into trees such as Kuda, Kudi, Pethari and Chera, but does not include bushes, and the word "bush "shall be deemed to include all ground shoots which do not grow into trees such as Karand, Ukshi, Rangh Deart and Mirgudi,

(b) the word " cultivator" includes

(*) all persons who personally cultivate the soil, whether as tenants or in their own right,

(a) all landlords resident in a village and holding land therem, whether they cultivate the soil personally or through tenants but does not include non-resident landlords

2 No forest produce shall be removed from a plot assigned for cultivation in protected forest or from any trees in such plot except by the authorized cultivator of such plot

 δ . Zo forest produce shall be removed from any protected forest n , village or from any brees in such protected forest except by a cultivator of that village

f Sile as provided in inles 5 and 6 no person shall in any protected forest cut down, pollard, or lop any tree whatever

- 5 In the protected forest of any village a cultivator of that village are, cut down, lop or pollard for his own use any injail trees that are not finit-tiees in accordance with the following rules dut not otherwise —
- ingle on the case of ingulatives 10 feet* hyper or neglectived (i)

(1) the leading shoot must be permanently preserved along n ith all shoots from the topmost third of the main stem,

(11) shoots that have taken less than 2 years to grow may not be touched only shoots that have taken 2 years or more to

(b) in the case of infail trees less than 10 feet high —

(4) Where several stems spring from the same root or stump the best of such stems with all shoots from it shall be left untouched till the stem is 10 feet lugh, but all other shoots from the root or stump or from the ground within a yard of the untouched stem may be cut down to the ground

(ii) no stenn growing singly may be cut or its side shoots

lopped, unless it has an untouched stem growing within a yard of it

Provided that, with the previous permission of a revenue officen not lower in rank than a Mambatdar, such cultivator may cut down for his own use —

(a) any injail ties not useful for takial or fruit, and

(b) any fruit-tree and any leading shoot or best stem preserved under clause (a) (i) or (b) (i) of this rule when in the opinion of such officer such tree, shoot or stem is no longer useful for fruit or tahal Ω .

6 In the protected forest of any village a cultivator of that village may, with the provious permission of a iet enue officer not inferior in rank to an Assistant or Deputy Collector, cut down for his own use any tree other than an injail tree

Explanation —The Collector or Prant Officer may, by written order delivered to the patel, authorize the cultivators of a village to cut down the aftergrowth of teak, blackwood and tivas, subject to the condition that two leading shoots from each stump with all their branches are left permanently untouched and may at any time modify such order by withdrawing such authority either from particular cultivators or in respect of particular areas, and such order as so modified shall be a saving order of particular areas, and such order as so modified shall be a saving order of particular areas, and such order as so modified shall be a saving order of particular areas, and such order as so modified shall be a saving order of particular areas.

RULES CONCERNING THE COLLECTION OF DRIFT AND STRANDED TIMBER Noin No 5587A, R D, 20th Oct 1879, B G, 1879, Pt I, p 847, as amended by Noins No 4875, R D, 2nd Dec 1890, No 4875, R D, 23rd June 1896

For a book containing 25 passes

In exercise of the power conferred by section 51 of the Indian Forest Act, 1878, the Governor in Council is pleased to make the following rules concerning the collection of drift and stranded timber —

I Any person may collect timber of any of the descriptions set forth in section 45 of the Act, and, pending the bringing of the same to the proper depôt for the reception of drift-timber, may keep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his having deep the same in his own custody, but he shall report his hard.

done so within twenty-four hours to the nearest Forest Officer which the timber has been found that the cost of collecting and which the timber has been found that the cost of collecting and conveying such timber to such depôt is likely to equal or exceed the

probable proceeds of its sale at the depôt, the timber (a) if unmarked, may be sold by or under the orders of the Divisional Forest Officer on the spot where it is found or

collected, warked, shall not be collected by a Forest Officer (b) if marked, shall not be collected by a Forest

⁽¹⁾ Superseded by Notn. No 5421, dated 5th July 1884, resued under section 157 (c) of the Sea Customs Act, 1878, B & 1884, Pt I, p 500 Notn No 5421 of 1884 has since been superseded by Notn No 9670, R.D., dated 1st Dec. 1896, B & 1896, Pt I, p 1233

of Forests one or more boats for use in salving and collecting timber Any person may register in the office of the Conservator

on pryment of a fee of one rupee for each boat

Such registration shall hold good for the period of one year

this dehalf, and the recompense shall be paid at once by Government Conservator of Forests, whom the Conservator specially authorizes in shall be made by any Forest Officer not lon er m rank than an Assistant 50 per centum of the estimated ralue of the timber Such estimate any such timber, shall be entitled to receive a recompense equal to Every person, whether a Porest Officer or not who collects only, but may be repeated from year to year

amount of the recompense to a sum not exceeding 75 per centum of Provided that in special cases the Conservator may increase the

the value of the timber collected

the cost (if any) likely to be meurred in making the same, no collateral

security need be required 10 (1) Mosable property shall rarely be accepted as security

10 (1) Movable property shall rarely be accepted as security Personal security may be accepted, even that of one person, provided that his solvency is certain

(2) If the sureties are more than one they should preferably be

required to bind themselves jointly and severally

(3) Except in times of scarcity or famine, loans shall not be given to persons who are in arrears for Government dues of any kind, unless the grantor is quite satisfied of the amplitude of the security

(1) When the amount of a loan is large, the security of immov-

uple property should almost myariably be taken

as may seem at to the grantor Large loans will invariably be paid in

two or more instalments

12 Interest shall ordinarily be charged on all loans at 84 per cent
per annum, but Government, on the recommendation of the Commis-

sioner, in any case, may sanction a reduced rate, or no interest

The order granting a loan shall be endorsed on the application, if separate, and also be made out in any of the Forms I to 3 hereto annexed suitable to the case, and shall, at the time of or before the issue of the loan or the first instalment of it, be signed by the applicant and other persons concerned in token that he and they understand and agree to the conditions.

tions contained therein

if The conditions under which every loan shall be granted shall melude the following, namely, that if the borrower fails to carry out in the time prescribed the work or part of the work for which he has received the loan or an instalment of it the granter may order summary recovery, but instead of enforcing this condition he may, on reasonable cause being shown for the failure in carrying out the work in time, extend the period fixed for its completion, and if the borrower fails to complete the work or part of the work within the period thus extended, prompt steps shall be taken to recover summarily with simple interest the whole of the interpretation, as may be decided by the granter

15 A copy of the order and the counterpart agreement, certified by the grantor to be a true copy, shall be given on demand to the borrower

at the time of or just after making the payment to him

16 When a loan is deing paid to a dotrower by instalments, the first if he is satisfied that any condition of the order and counterpart agreement has not deen complied with

17 The cost, it any, incurred in making a loan shall be paid by the borrower along with the repayment of the first annual matalment

18 An instalment should be suspended whenever from causes beyond the borroner's control his crops fail to such an extent as to render the

RULES UNDER THE ACT

Golf, Home Dept, Noin Vo 1173, 19th July 1888, republished in Gott Noin No 2600, G D, 25th July 1888, B G, 1888, Pt I, p 622, as amended by G off, Home Dept, Noins No 185, 27th July 1891, and No 7221 I, G D, 19th Dec 1911

The Governor General in Council is pleased to publish the following rules in ide under Sections 26, 28, and 36 of the Births, Deaths and Marringes Registration Let, No VI of 1886—

I in these rules unless there is something repugnant in the subject

or context,—

(1) "the tet" me may the Burths. Deaths and Maringes

(1) "the Act" me ma the Births, Deaths and Marriages Registration let, 1886,

(2) "schedule" me my a schedule to these rules

(1) " Registent-General" and " Registent" mean respectively a Registrat deneral of Births, Deaths and Marriages and a Registrar

of Births and Deaths appointed under the Act and is unable to

2 Notices of births and deaths shall be in the forms set forth in

Schedule A and Schedule B, respectively

3 Every such notice shall be signed by the person giving it and shall specify the capacity in which the person claims to be authorised to give it 3 A. The notice shall be presented to the Registrar in person unless.

(1) The notice shan be presented to the notice is known to the

Tregistrate, or (u) the signature on the notice has been duly authenticated by (u) a Magistrate under his signature and official seal or (b) by a gravitted officer of Government whose signature is known to the

Registrar

4 Every such notice shall ordinarily be presented to the Registrar for the local area in which the birth or death occurred within three months of the date of the birth or death to which it refers, as the case may be

Provided that the Registrar may, of his own authority for any reason which he considers sufficient, accept notice of a birth or death at any time within aix months from the date of its occurrence and with the special

sanction in writing of the Registrar-General after that time

5 An appeal against an order of a Registrar refusing to register a burth or death on any other ground than that referred to in proviso (a) to Section 19 of the Act shall lie to the Registrar-General who may in his discretion either confirm the order of the Registrar or direct him to register the birth or death

6 Registers of births and deaths shall be kept in the forms set forth

in Schedule C and Schedule D, respectively

Then a birth or death has occurred during a journey, or when a person giving notice of birth or death was compelled by duty or urgent necessity, or unavoidable accident to leave the local area in which such birth or death occurred so soon after its occurrence that he was unable to give the prescribed notice to the Registrar for that local area, any Registrar may receive notice of such birth or death and register the same as if it were a birth or death which had occurred within the local area for which he has been appointed.

tor which he has been appointed.

8 The provisions of Rule 4, as to the time within which notice of a

birth or death must be given, shall apply to every notice of a birth or death given under the circumstances described in the last foregoing rule

9 In every case of a birth or death admitted to registration under Rule 7 the Registrat to whom the notice of the birth or death is given shall record in his register the reason why the notice was not given to the Registrat of the local area within which the date of the registration of the birth or death forward to the Registrat-General, and to the Registrat of the local area within which the birth or death occurred, a copy of the entry in the register relating to the birth or death.

Every Registrar shall paste into a book kept by him for the purpose all copies of entries received by him under this rule, and the book containing the copies shall be at all reasonable times open to inspection by any

person destring to inspect it

10 The Registrar for any local area including a port may register any burth or death which has occurred on the high seas on board any ship arriving at such port

Provided that notice of the birth or death is given to such Registrar

within sixty days after the arrival of the ship and in the entry thereof in the register there shall be specified in heu of the name of the place at which the name of the ship on which the event occurred and the name of the Commander of the ship and the approximate latitude and longitude of

the ship's position at the time of the birth or death

Provided that the Registrar is satisfied that the application is well

tounded

the Registrar or direct him to correct the error Registrar-General who may in his discretion either confirm the order of to correct an asserted error in an entry in a register shall lie to the An appeal against an order of a Registrar under this rule refusing

year from the date on which the notice of the dirth or death was given register of deaths shall not be entertained after the expiration of one an application for the correction of an entry in a register of bitths or Without the special sanction in writing of the Registrar-General

The sums specified in Schedule K shall be the fees payable under

the sections of the Act there referred to

To the Registrar of Births and Deaths for-

any tees Regular Forces and all seamen shall be exempted from the payment of Provided that soldiers and non-commissioned officers of Her Majesty's

for their own use any fees which they may realize under these rules are not Government servants or who are ministers of religion may retain send a copy of the certificate to the Registrar-General Registrars who Registrar a certificate of the amount so credited, and the Registrar shall The Treasury Officer shall give each to be credited to Government shall forward such fees at the end of each month to the nearest treasury form set forth in Schedule L of all fees realized under these rules, and ment servant and not a minister of religion, shall keep a register in the Every Registrar-General and every Registrar, who is a Govern-

LATES FOR THE SETTLE VITATE OF ADIA INDICERTUAL OTHER AREAS

So, TILL q, I, P. O. 3th Nov 1909, B.C., 1909, Pet I, p. 2117, as Annaly 1911, p. 2117, as

In exercise of the powers conferred by section 14 of the Chanders and Lite, 1899 (XIII of 1899) the Governor in Conneil is pleased to make the following rules for the Settlement of Aden and other areas to which the 1ct was applied by Government Notification in the Revenue which the 1ct was applied by Government Notification in the Revenue Department, No 7551, dated the 20th July 1908—

The Inspector appointed under section 1 of the Glanders and Fare, Let shall, whenever he has reason to believe from personal knowledge or from information given by any person and taken down in virting, that a diseased horse is to be found in any building, enclosure or place, forthwith proceed to the said building, enclosure or place, forthwith proceed to the said building, enclosure or other place and the presence of the owner or other person then in other place and the presence of the owner of Police, shall charge, or, if he is absent, in the presence of an officer of Police, shall inspect the said premises and evecute and discharge the duties and poners conferred on him under the Act

The Inspector may, in such entry and search, be accompanied by a Vetermary Practitioner appointed under the Act, or such

Police officers as he considers necessary, or by both

The owner of the premises or person in charge at the time shall give free ingress to the Inspector, and shall in every possible way

facilitate the search, and he shall be entitled subsequently to receive from the Inspector a statement in writing of the grounds of entry and, in the event of his premises being infected, shall be furnished with written instructions as to his liabilities and duties under the Act written instructions as to his liabilities and duties under the Act

signed by the Inspector

2 The Inspector shall seize and hand over to the Police for detention any horse which he considers or reasonably suspects to be diseased. Such horse shall, as soon as possible and with the exercise of due precautions against contagion to other horses and men, be examined by a Veterinary Practitioner and dealt with under the Act. Such precautions shall comprise, in the case of a discharge from the nose, the wearing of a nose bag and in the case of of open sories, the covering up of the same, so far as is practicable with disinfecting powder and cloths and bandages during removal shall disinfecting powder and cloths and bandages during removal shall be enforced in all cases where horses have to be moved for shall be enforced in all cases where horses have to be moved for shall be enforced in all cases where horses have to be moved for examination of disposal under the Act.

exammation or disposal under the Act

3 The owner or person in charge of a horse, which he believes or has reason to believe to be diseased, shall report the case as soon as possible to the Inspector or to a Police officer or other officer authorized to receive such information (who shall at once inform the Inspector) and may remove such horse to any isolated building within 50 yards of the stable or to a remote part of the building, enclosure or other place in which such horse has been standing, and shall keep it as much as is possible within these limits away from other horses. He shall detain in the stable, until the granting of a license for removal, any horse which has been in contact with or near the for removal, any horse which has been in contact with or near the

diseased horse or in the same line or building

Except as provided in these rules no person shall cause or pernut any diseased horse to stray or to be worked, led or driven in a public phoroughlare, road, street or place

4 Licenses for the removal of horses which have been with a diseased horse shall be granted by an Inspector under section 11 of

the Act on the following conditions, viz —

(1) That the horse to be removed shall be taken direct under such precautions as the Inspector deems fit to prescribe to such

annial gots very thin, in some cases dies rapidly and in others hves for some weeks

(2) Farey is another form of Glanders and presents the following symptoms —

Increased temperature, the lega anell, presenting an uneven surface, increased temperature, the lega anell, presenting an uneversation and increasing and decreasing suddenly and attended national puralent femous the respectively which and give exit to a thin puralent fellowish material, which and give exit to a thin puralent fellowish material, which and give exit to a thin puralent fellowish on the surface of the illevial.

(3) Instructions for the diagnosis of South Mirean Horse sickness An opisootic disease occurring in horses, miles and donkeys comminged from one annual to another by insects especially mosquites,

and by the discharges of a discrete forms which are probably simple

olyme the dord out that we meet the second and the probable and the second of the interest of the interest of the interest of the second of th

by the patient. There are three chief forms, in which the disease is found and eases can be classed under one of these three heads though in my cases will be found

displaying the characteristic signs of one or more of these forms

The acute form high teres accompanied with great prostration

and death within two or three days Post mortin signs of the horse suches and death within two or three days Post mortin signs of horse sichness (q v infra) will be found but death takes place too rapidly for them to appear externally during life. Therefore this form is difficult to diagnose appear externally during life. Therefore this form is difficult to diagnose appear externally during life. Therefore this form is difficult to diagnose appear externally during life. Therefore this form is difficult to diagnose appear externally during life. Therefore this form is difficult to diagnose an post mortem examination is made in it is the most intense form and

is commonest at the commencement of an outbreak

(2) The typical form—Img sickness marked by fovor with shivering and prostration, rapidity of breathing with heaving of the flurks, moist sounds in the lung succeeded later by an entire absence of breath sounds counds in the lung succeeded later by an entire absence of breath later the colour of the openient serous discharge of freth from the northle, and the most important, and early signs of the disease, the swelling of the prevence of the presence of a distinct tumour the eyes, causing its disappearance, and the presence of a distinct tumour the lung form of horse-sickness—is most often fatal within four to five days, the animal being sufficented by the fluid which is poured out from the blood-vessels into the lungs

The fover is usually high 101—107° but with the exhaustion of the patient it has been observed to fall the normal or belon it. This point is of course common to the lever of any other diseases of an vente mature of course common to the lever of any other diseases of an vente mature

The most remarkable departure from what one expects in a severe disease of this kind is the fact of common observance that the horse continues to eat until he actually falls down to die

On examination of the body after death, the surface of the lungs is observed to be cented with a mass of jelly-like material of a greenish yellow colour this is also found behind and at the udes of the und-pipe

прериись Бесеви preumonits of the meeting of third on section nor is the jelly-like condition of the lung tissue itself. There is not hoverer in acute lobar old art and art yield out the out to out the old art of the second of th resempting , preumonic change, the resemblance to preumonia is thus In places the lung tissue breaks donn on pressure thus nute land ese sped blood corpuscies and there is a general intense congestion of an Meroscopically the lungs cells are seen to be distended with poured out in great quantities in a moment or tho after section of the lung This ling exidition is a most reidily observed phenomenon, being character as that much mas observed at the nostrils of the animal during anth grey patches and a reddish fluid is poured out with a froth of the same completely on section they present a peculiar brick red colour motified of the limbs and abdomen. The lungs are smollen and fill the chest and the great resels of the neck. It is also found among the muscles

fluid and the jells will be present as a rule on its walls and among the The heart is found soft and diluted the covering bag will be full of

The ciris of the abdomen contains fluid of a greenish colour and the gren resels in its bise

tre the bidners, the stom all is usually full of undigested food The brei is live dark and congested as jelly will be observed in places

which recovery most often takes place, and which, if it proves fatal not the less tureness form of poisoning and accordingly is the form from (5) The third main form of horse sichness is thick head (dikhop) which

eventually, will do so after a longer course

and along the line of the ressels in the nech, large snellings will appear on swelling of the jan "ull later extend up past the ears to the top of the head loner 1 in angle causing the animal to look as it he had the numps tion of the mside of the month, enelling of the head especially round the pit, snelling of the lips nith drooping of the loner up and dark red colouranith prostration, red eye-membranes and obliteration of supra-orbital The symptoms may be summarised thus lever of moderate intensity

these are the cases from n buch there is a chance of recovery Death may take place after a neek or the case may go on for three or the legs, the domen and between the front legs

to be observed under treatment, stummants and perfect rest deing the main indications

of intensity of the poisoning . Deing one and the same and the 51 mptoms rarying according to the degree mmd that this is only done for convenience of description the disease In distinguishing three forms of horse-sichness, it must be borne in

) ellow jelly as found generally distributed in the snellings, of n hich is On examination of the body of the last or least intense form the

rapidly, and again, an anunal may at first shew well-marked lung been ill many days suddenly shens the froth at his nostrils and dies thus an animal who has nell-doveloped thickhead and has One form may pass into the other either in the direction of death or

-IIIX 15A , 6681]

THE CITY OF BOMBAY GLANDERS AND FAROY RULES, 1919

Noth No 435 (I), R D, 11th Feb 1920, B G, 1920, Pt I, p 480

In exercise of the powers conferred by section 14 of the Glanders and Earcy Act, 1899 (XIII of 1899), the Governor in Council is pleased, in supersession of the rules published in Government Notification in the General Department, No 5424, dated 25th November 1899, as subsequently amended, to make the following rules for the City of Bombay, excluding the harbour, for the purpose of carrying into effect the excluding the harbour, for the purpose of carrying into effect the purposes and objects of the said Act, namely —

Prelımındry

Rules, 1919

Rules may be called the City of Bombay Glanders and Farcy

I (I) The owner or person in charge of a horse which he believes or has reason to believe to be diseased shall report the case immediately to the Inspector appointed under section 4 of the Act or to a Police Officer who shall at once inform the Inspector Such owner or person shall remove the animal to any isolated building virthin 50 yards of the stable, or to a remote part of the building enclosure or other place where the animal has been standing, and shall keep it, as much as is possible within these limits, away from other horses, (2) such owner or person shall detain in the stable until the granting of a license for removal, any horse which has been in the same enclosure, building or person shall detain in the stable until the same enclosure, building or person as in contact with, a diseased horse

3 (1) The Inspector shall have power to enter any building, enclosure or place where horses are stabled or kept and in the presence of the owner or other person then in charge, or, if such owner or person is absent, in the presence of an officer of police to search the premises and to inspect all horses found therein and to execute and discharge the duties and powers all horses found therein and to execute and discharge the duties and powers

49F 9Ht raden min no berrelico

(2) The Inspector may in such entry and search be accompanied by a Vetermary Practitioner appointed under the Act or by such police officers as he considers necessary or by both

3 The owner of the premuses or the person in charge thereof at the time shall give free ingress to the Inspector and persons with him and shall in every possible way facilitate the search, and he shall be entitled, in the event of his premises being infected, to receive written or printed matructions as to his liabilities and duties under the Act igned by the matructions as to his liabilities and duties under the Act igned by the

тотоэодвид го---057 н

4 (I) The Inspector shall seize any horse which he considers diseased or which he reasonably suspects of being so. Such horse shall, as soon as possible and under such precautions a the Inspector deems fit to prescribe, be removed to a place to be prescribed by the Inspector where it can conveniently be detained and isolated by the police. The place to be prescribed by the Inspector where to be prescribed by the Inspector where it retto where the horse shall be detained by the Principal of the Bombay vetto where the horse shall be detained by the Principal of the Bombay Vetermary College

(2) The precautions ordinarily to be prescribed by the Inspector shall comprise, in the case of a discharge from the nose, the wearing of a nose bag, and in the case of open sores the covering up of the same, so far as is practicable, with disinfecting powder and cloths and bandages during removal along public roads, and such removal shall, unless there be removal along public roads, and such removal shall, unless there be any sufficient reason to the contrary be at might

any sufficient reason to the contrary, be at night

5 The horse having been removed to the place prescribed by the Inspector shall as soon as possible be examined by a Veterinary Practitioner appointed under the Act, who, with as little delay as possible shall report to the Inspector whether the animal is diseased or not The Inspector shall thereupon inform the owner of the result of the Veterinary Practitioner's examination

Vetermary Practitioner's examination

6 Before submitting his report on the condition of the horse, the Veterinary Practitioner for the purpose of his examination may submit the horse to any of the following tests —

(a) Detention for one calendar month under observation

(b) Mallein Test or Tests

(c) Bacteriological Teata

(d) In the case of Epizootica Lymphangitis, microscopical examination of pus or other pathological material from abscesses, sores or other lesions

(e) In the case of Surra, microscopical examination of the blood

Whilst isolated and detained for ob ervation, the horse shall be imspected from time to time at intervals of not more than a week by a Veteringary Prestitioner appearable that the continuous properties of the continuous properties of the continuous cont

Vetermary Practitioner appointed under the Act

On a certificate from the Vetermary Practitioner that a horse is diseased, it shall, unless the disease is other than Glanders or Farcy and the Vetermary Practitioner considers treatment desirable, be destroyed humanely in the presence of the Inspector and the carcaes disposed of by burning under supervision of the police. Except with the sanction of the Inspector and to person shall remove of the Inspector and to the sanction.

Provided that no horse suspected to be suffering from Lymphangitis Epizootics or Surra shall be destroyed, until the microscopical test specified in rules 6 (d) or (e) has been applied and the disease ascertained 8 (1) Whenever a horse is detained for observation, test, treatment, or isolation the owner or person in charac thereof shall be required to

to isolation the owner or person in charge thereof shall be required to provide food and an attendant and to pay a fee of two annas per diem for treatment, and in the case of surra four annas per diem, or, in the

alternative, to pay a fee of one rupee per diem and in the case of surra one rupee and two annas per diem, which fee shall be deemed to cover the cost of food, attendance and treatment

(2) Any sum due under the preceding clause shall be recoverable, on application to a Magistrate, as it it were a fine

9 Any horse which has been in contact with a diseased animal or in the same line or building, enclosure, field or place shall be detained by the owner or person in charge in the stable until a license for removal has been obtained from the Veterinary Inspector only, when authorised in writing by a Veterinary Practitioner, appointed under the Act, who is satisfied that the horse is free from disease. In the event of the owner or person in charge of the said horse failing to apply for a license for removal within in charge of the said horse failing to apply for a license for removal within one calendar horsely horse in question has been detained for one calendar removal provided the horse in question has been detained for one calendar removal provided the horse in question has been detained for one calendar removal provided the horse in question has been detained for one calendar

nouth under the observation of the Vetermary Practitioner 10 (1) The owner or person in charge of any building, enclosure or other premises which have been occupied by any diseased horse, shall, within seven days, carry out such disinfection of such building, enclosure, or other premises and destruction of dung, litter and waste food, gear and other articles in or near to the building, enclosure or premises as may and other articles in or near to the building, enclosure or premises as may be prescribed by the Veterinary Practitioner and such dismisection shall be prescribed by the Veterinary Practitioner and such dismisection shall

be carried out in the presence of the Inspector

(2) In all cases dung, surplus food and litter from the infected , table, also clothing and other gear which has been used by or been in contact with the diseased horse shall be burned, temporary building materials, such as thatch of grass or leaves, bamboo walls or matting, shall be burned, if the position admits of this being done with safety, and (after complete removal of all dung, temporary fittings and other articles for destruction by fire) the whole of the interior of the stable shall be subjected to a process of thorough dirinfection to be prescribed by the Veterinary Practioner

(3) Such process shall ordinarily include the scraping of the walls, wood work and ceiling and the thorough cleaneing of the wall, wood work and toor (if it be of stone, cement, or masonry) with boiling water, and the application of a freshly prepared solution of bleaching powder in water (in the proportion of 8 ors of bleaching powder to one gallon of water) to all the fittings of the stable and the whole interior of the building water) to all the fittings of the stable and the whole interior of the building Should, however, the flooring shall be removed to a depth of 2 feet and or masonry, the whole flooring shall be removed to a depth of 2 feet and or masonry, the whole flooring shall be removed to a depth of 2 feet and not removed for the space of two weeks, the removed earth being burnt not removed for the space of two weeks, the removed earth being burnt

II In the event of disinfection of premises and destruction of genr, fittings, dung and other articles condemned by the period of seven days or not being carried out in strict conformity with the directions days or not being carried out in strict conformity with the directions days or not being carried out in strict conformity with the directions prescribed by the Veterians Practitioner, they shall be carried out by

and replaced by fresh earth

the Inspecttor under police supervision and the expenses shall be recovered from the owner of the premises or from the person in charge in the manner prescribed by rule 8 (2) .

12 Except as provided in these rules, no person shall intentionally rucelized to person to be worked.

or actigently cause or permit any diseased horse to stray or to be worked, led or driven in a public thoroughtare, road, street or place

13 Whoever shall be guilty of a breach of any of the above rules shall on conviction before a Magistrate be pumishable with imprisonment for a term which may extend to one month or with fine which may extend

to rupoes fity or with both

14 The Principal of the Bombay Veterinary College, who is the controlling officer of the Glanders and Farcy Department in the City of Bombay, may award to the Inspector at whose instance any conviction is obtained under the Act a sum not exceeding half the amount of any fine imposed

Instructions for the diagnosis of Admaces and Earcy

(1) Glinders is an ilignant, contigious and fit il disease, characterised

Increased temperature, swelling of the glands under the jaw, discharge of stales material from the nose which stales about the mostrils ulcers on the mutons membrane of the mostrils, the ever are not he often discharge, abscesses form along the content of the lamphattes of the face, lungs become affected, animal course of the lamphattes of the face, lungs become affected, animal course of the lamphattes of the face, lungs become affected, animal course of the lamphattes of the case dies rapidly and in others lives for some coets, any others lives for some

neeks (2) I neeks mother form of Chinders and presents the following

Increased temperature, the legs swell, presenting an uneven surface, increasing and decreasing suddenly and attended with pain and luneness. Pare, buds form along the vessels of the leg, burst and give exit to a thin purulent yellowish in iteral which generally soon dries and forms a yellow exist on the surface of the ulcer

 \mathbf{I}

Instructions for diagnosis of Lymphanguis Epizootica

pengeg entry pe connected by lines the remis praing the appearance of Nodules exting in size from the red shows bearing and in size from the red shows by appearance of

The lair fills off the nodules and they burst and discharge thick relion or blood standed in titler. The lesions may be found on any part of the body, but they aromost frequently associated with those parts which are most exposed to wounds kicks, contusions, harness and saddle gills. The discuse takes place by inconlation through wounds and may therefore describe from the slightest abrasion. In eatile the nodules form therefore describe from the slightest abrasion. In eatile the nodules form well-defined lumps, but their development is much slower and the lumps well-defined lumps, but their development is much slower and the lumps are not connected by venilike cords.

Ш

natructions for the diagnosis of enorization

There are successive attacks of fever, the first of nhich might perhaps personanced. There is appear on the innering membrane of the eye. The ever national less the appears of flesh and great nethers, although in the inajority of cases the appetite remains good throughout, no inatter how high the fever may be. The inneres membrane, no inatter how high the fever may be. The inneres membranes of the eye, inouth, etc., become very paleand then at a later period braines of the eye, inouth, etc., become

yellowish From first to last there is progressive debility and emaciation until dropsical swellings of the limbs and under surface of the body appear. The duration of the attacks of fever and intermissions are very uregular, usually lasting from about one to six days. Death occurs in about six or seven weeks

ΛI

Instructions for the diagnosis of South African Horse sickness by difficulty in breathing. This is followed by wide distension of the nostrils and the appearance of a nasal discharge with coughing. The discharge increases and the animal dies rapidly from suffocation with a foamy discharge round its muzzle. In other cases the course of the discasse is slower and in one form the head is found to be swollen in the latter form the obliteration of the depressions above the eyes and the pendulous appearance of the lower in the lead is found to be swollen.

In the latter form the obliteration of the depressions above the eyes are the latter form the obliteration of the depressions above the eyes.

THE SIND GLANDERS AND FARCY RULES, 1921 Note Note No 1006-A, Commr, 5th Oct 1921, S. G. Pt. I 1921, p 1810

In exercise of the powers conferred by section 14 of the Glanders and Farcy Act, 1899 (XIII of 1899), such powers having been delegated to him by Government notification in the Judicial Department No 2090, dated 5th April 1893, the Commissioner in Sind's notification No G—20, dated 23rd January 1900, so far as they relate to the undermentioned area, to make the following rules for the Province of Sind excluding the city and port of Karachi, for the purpose of carrying into effect the purposes and objects of the said Act, namely —

These rules may be called the Sind Glanders and Farcy

Rules, 1921

2 They shall apply to the whole of Sind excluding the city

and port of Karachi.

3 (1) The owner or person in charge of a horse which he believes or has reason to believe to be diseased shall report the case immediately to the Inspector appointed under section 4 of the Act or to a police officer, who shall at once inform the liaspector. Such owner or person shall remove the animal to any isolated building within fifty yards of the animal to any isolated building, enclosure or place where the animal to a remote part of the building, enclosure or place where the animal has been standing, and shall keep it, as much as is possible within these limits, anay from other horses, (2) such owner or person shall detain in the stable, until the granting of a license for removal, any horse which has been in the same enclosure, building or place as, or in contact with, a diseased horse

4 (1) The inspector shall have power to enter any building, enclosure or place where horses are stabled or kept and in the presence of the owner or other person is absent, in the presence of an officer of police, to search the premises and to inspect the presence of an officer of police, to search the premises and to inspect

Note I —The balance sheet must state how the values of the stock exchange securities are arrived at and a certaficate must be appended, exchange securities are arrived at and a certaficate must be appended, argned by the same persons as argned the balance sheet to the effect that in their belief the assets set forth in the balance sheet are in the argnegate fully of the value stated therein, less any investment reserve fund taken

τατο ε conut

Note 2—A certificate must be appended hereto, signed by the same persons as signed the balance sheet and by the auditor, to the effect that no part of any fund has been applied directly or inducetly for any purpose other than the class of business to which it is applicable

Note 3 —Socioties having investments with any uncalled liability shall

state separately the full amount thereof

Note 4—P which are near be given of all loans, including temporary advances, except loans on policies within their surrender values, made at any time during the year to any director or officer of a society or to any other society in which any of the said directors or officers may hold the position either of director or of officer

Note 5 — Particulars must be given of all commission or other allowance

due or paid to any director or manager or other responsible officer of the society in respect of now distincts procured

Note 6 — Particulars must be given of the balance of the abovementioned hranch and agency balances and outstanding premiums, interest, divi-

dends and rents rem uning unpaid at the date of the auditor's report in the Revevue Accoust should be entered all the financial transactions of the society by nay of income and expenditure during the year

tions of the society by n.i. of income and expenditure during the year nichter such transitions have been completed by the actual receipt or pryment of easily, or are outstanding at the end of the year

On the Income side of this account should appear the premiums for

On the throne side of this account should appear the premiums for each different class of insurance, all entrance fees, fines and other sums due to the society during the year ("hether received or not) under the several items provided in the forms—

(a) Investments made or realized should not be entered in this account, but only the gain or loss made on their reglisation, which

secount, but oury the gain of case indee on their resistation, which should appear as income, if gain, and as expenditure, if loss
(b) No deposits in or withdrawals from Bank are to be brought

(b) No deposits in, or n ithdrawals from, Bank are to be brought into this account

On the Expenditure side should appear all expenses incurred during the several items provided in the form Bid debts, losses on Agents' balances should be shown as

No item can be included in the funds at the end of the year which was

not included in the funds at the beginning of the year unless it is shown is an item of income of the year. Similarly no diminution can be made in any of the funds in any year without appearing as an item of expenditure.

in the Rozenue Account for that year

The amount of each different fund at the beginning of the year should be the same amount which n as stated in the Revenue Account of the society's last return as the amount of those funds at the end of the

If the balance of any account shown in the previous return be found incorrect, the corrected balance should be brought forward in the next return, and an explanation of the difference given on the form itself

On the Labilities (or left-hand) side of the Balance Sheer there should be brought from the Revenue Account the amounts of the Funds at the end of the year, as indicated on the form, and the particulars stated of any debts incurred on behalf of the society, cash (if any) due by the

61

society, and any other liabilities incurred by it which may be outstanding at the end of the year

On the Assets (or right-hand) side should be shown the society's invest-ments together with the cash in hand and any other assets of the society.

Amongst such other assets will be, for instance—

branch and agency balances,

ontstanding premiums,

outstanding interest,

interest accrued but not payable,

cheques paid into bank and in course of realisation

The amounts of these items shown in the balance sheet will, in the main, be received during the next financial year, but they must not again be included amongst the premiums, interest or eash in the Revenue Account, as they have already been included in the amount shown in that year's Revenue Account as "Amount of Funds at the beginning of the year's

Some of these outstanding items which have been taken credit for as an asset may never be paid at all. The amount of those not realized will have to be written off through the Revenue Account and the funds

will be decreased accordingly
